BLUESCENE

Good evening, ladies and gentlemen, welcome to Westfield Lane for today's Sheffield & Hallamshire FA Senior Cup quarter final game against Rossington Main. We give a warm welcome to Rossington's players, officials and supporters and hope they have a safe trip home after the game.

Today's visitors, Rossington Main, are currently in 10th place in the league on 25 points after 17 games. Since their 5-1 drubbing on this ground, just 23 days ago, Rossi's form has been good, starting with an impressive 3-1 home win over Bottesford Town. Then in a the last round of the Sheffield Cup, they avoided a potential banana skin with a 2-1 victory over visitors Dinnington Town to reach tonight's quarter final. Back in the league, a creditable 1-1 draw at Retford United preceded a resounding 4-2 triumph at Worsbrough Bridge, last weekend.

The Blues come into today's game in 17th place on 18 points after 17 games of league football. Since Rossington were our visitors last month, when goals from Sam Cable, Josh Dacre (2), Keenan Grist and Charlie Clegg carried us to a comfortable 5-1 win, we have won 2, lost 2. A 7-0 demolition of Nostell MW (goalscorers were Sam Cable (3), Keelan Grist (2), Henley Walker and Will Jenkinson) in the previous round of the Sheffield Cup was followed by a 2-0 defeat at Golcar United. Then goals from Lewis O'Connor and Keelan Grist gave us a 2-0 victory over visitors Pickering Town before highflying Dearne & District were 1-0 victors, here at HQ, in a tight game, marred by Will Jenkinson's harsh red card.

Sadly, on Saturday, our game at Keighley Town was abandoned after Lloyd Smith suffered a very serious leg injury. All at Frickley wish him a speedy recovery and lots of love. Please see the later page with details of our GoFundMe appeal to offer Lloyd some financial support at this difficult time. Any donations are most welcome.

Our most recent meeting with Rossington was our aforementioned game here at The Wezzie, a mere 3 weeks or so ago. Prior to that were last season's pair of league games, either side of a Sheffield Cup tie. In November, we were 4-1 victors, here at Westfield Lane, with Shaun Heselwood, Destiny Nnenanua, Lucas Robinson (a penalty) and Charlie Clegg getting on the scoresheet. In a similar situation to this season, Rosso returned just 17 days later but turned the tables with a 7-6 win on penalties in the 3rd round of the Sheffield Cup, following a 2-2 draw. Goals from Lewis Binns, and Lucas Robinson with another spot kick pulled us back from 2-0 down, but to no avail in the end. Then in March, in the penultimate game of the season, Rossington won 4-0 to retain their NCEL Premier Division place.

Expect The Blues to be trying to repeat the most recent performance against Rossington to secure a place in the semi finals, and doing it for Lloydy.

In recruitment news, more personnel changes afoot as Sam Awty joins us from Worsbrough Bridge. Meanwhile, Jamie Purkiss, Shay Evans-Booth, Jack Humphreys and Toure Bell have left the club to join Parkgate, Wakefield, Sheffield and Worsbrough Bridge, respectively. Good luck to them all. But the biggest news here is that Charlie Clegg, who recently made his 100th appearance for The Blues, has decided to move to Kinsley Boys to find more regular starts. We wish Charlie the very best of luck for the future.

Our next game sees The Blues in action, here at Westfield Lane, on Saturday 14th November, when Knaresborough Town are our visitors, 3pm kickoff. We hope to see you all there.

We hope you enjoy today's game, and as ever, thank you for your unwavering support.

MEET THE VISITORS

Formed in 1919 when 'Rossington Colliery' entered the Sheffield Association League, playing their fixtures on ground at the back of the Colliery offices. A club had competed under the Rossington Colliery name in 1917, but only since 1919 has the club been in continued existence.
The club moved to their current Oxford Street ground in 1923, and just a couple of years later enjoyed their best ever run in the FA Cup, reaching the 4th Qualifying Round in 1924/25, where they were beaten 3-0 at Lincoln City.
The club enjoyed its most successful season at the end of the WWII when they won both the Doncaster Senior League and Cup in 1944/45.
In 1948, due to nationalization of the mines, the club underwent a name change to Rossington Miners Welfare, and it was under this moniker they lifted the Doncaster Senior League Premier Division Cup in 1974.
1983 saw a name change to Rossington Main, and as founder members of the Central Midlands League, they soon won the Premier Division and Premier Division Cup in that league.
In 1984, floodlights were erected at the Oxford Street ground, which have been upgraded to new LED lights. And in 1991, new changing rooms were built at Oxford Street, and a crowd of 1200 attended the inaugural match against Leeds United. That same year, the club earned promotion to the NCEL (Northern Counties East League), Division 1, and remained in the same division until the end of last season.
The club merged with CML neighbours Rossington FC in 1998. Rossington FC were formed as Station FC in the 1970s as a Sunday team, but progressed rapidly, joining the CML in 1986. They had early success but League expectations and finances led to the merger.
The early noughties were the most successful period for the new merged club with 9 trophies in the first 13 years and 9 runners up spots. Highlights included the Reserves winning the Doncaster & District FA Challenge Cup in 2003 and the first team being runners up in the NCEL Wilkinson Sword Trophy in 2011. Also, the first team had their best season, breaking club goalscoring and points records to finish 7th.
During 2008, long time Chairman Carl Stokes took over the running of the club and wasted no time in introducing changes on and off the pitch. Off the field, improvements to the ground were rewarded with a preseason friendly against Doncaster Rovers in 2008. A record crowd of 1245 much improved the club's financial footing.
The club took major step forward in 2014 with the joining together with the junior sections with them rebranding as Rossington Main Juniors and the Reserves as the Development Squad, with the intention of bringing through the best of the local talent, hopefully to play for the first team and beyond. Further to this, in 2015 Main entered into a scheme run by Doncaster Rovers to promote sport and education amongst youngsters.
As with all clubs, managers come and go. Recent managers have included former Scarborough Athletic Reserves manager Steve Brennan, record goal scorer Lee Holmes, Chris Glarvey and Ryan Hindley, all of whom have crucially overseen NCEL survival.
Ben Hunter took charge in 2019, assisted by Matt Ellison and Sam Parkin, and they brought in a group of promising young footballers. In 2022, Rossington Main had a successful season in Division One, finishing 5th in the league with 81 points from 40 games. However, they lost 2-0 in the playoff semi final against North Ferriby.
For the 2022/23 season, Hunter made changes to his backroom and playing staff. The team achieved promotion to non-league step 5 for the first time in the club's history after winning the NCEL Division 1 playoffs, defeating Horbury 3-1 at home in front of a crowd of 1164 spectators.
2023/24 started with the experienced Zeph Thomas, ex-Frickley and a St Kitts & Nevis international, being added as assistant manager. The club then announced their arrival at step 5 by achieving an amazing 4th place finish. However, a defeat on penalties in the playoff semi final to eventual winners Garforth Town was to follow.
Ben Hunter stepped down after a disappointing first month of the 2024/25 season and former Grimsby Town (and Frickley) defender Greg Young took up the hot seat and they recovered to achieve an mid-table finish.
Following a difficult run in 25/26, Hunter returned as joint first-team manager to help guide the team through a crucial period and Rosso eventually secured NCEL Premier safety with 1 game to spare. Rosso also creditably reached the NCEL JCP Construction Cup final in May 2026 where they were defeated.
The club will be looking to progress in 2026/27.

FRICKLEY'S HISTORY

Frickley Athletic FC is based in the former coal mining village of South Elmsall. Recent research has shown that the first South Elmsall football team was formed in 1905 but was superseded in 1908 by the newly formed Frickley Colliery Athletic Club and joined the South Yorkshire league which comprised of works, church and village teams. In 1910, the football club moved to the Sheffield Association League.

The club remained in the Sheffield Association League (except for the war years) until 1922, finishing runners up in 1911/12, and winners in 1920/21, our only ever league title.

In 1922/23 Frickley joined the Yorkshire league and after finishing runners up in 1923/24, the club were elected into the Midland League, Although the club had to apply for re election several times pre war (and didn't play in any league in 1933/34) it was kept going by the support of the mineworkers and the sale of players.

1936/37 was Frickley's worst ever league season when the club finished bottom with only 8 points, but amazingly reached the FA Cup 1st round proper for the first time.

Post war, Frickley remained in the Midland league gaining its best finish, 7th, in 1945/46, but left the league on its break up at the end of 1959/60.

From 1960/61 to 1969/70, Frickley Colliery played in the Cheshire County League, However, financial considerations led the club to join the Midland Counties League for 1970/71. They finished runners up in 1972/73, and were eventually elected into the NPL for the 1976/77 season as Frickley Athletic.

After finishing 3rd in 1979/80, the club was promoted into the Alliance Premier League, now the National League. Here they remained for 7 years, the most successful in the club's history, and in 1985/86 reached the FA Cup 3rd round proper, after beating a Football League club, Hartlepool Utd, only to lose 3-1 at home to Rotherham Utd. The club also finished as Gola League runners up. The following season saw a reversal as we were relegated back to the NPL.

From 1987/88 to 1991/92 the club consistently finished around mid-table in the NPL, and managed to reach the league cup final in 1991/92, losing 1-0 to Marine at Maine Road.

The next few seasons saw Frickley finish in the lower reaches of the table. Then, in 2005/06 The Blues had their best league season for 20 years, finishing 2nd to Blyth Spartans. Unfortunately, the Blues lost on penalties in the playoff semi.

In the following seasons Frickley returned to the lower half of the table, but 2015/16 saw the club have a great season to finish 7th.

In 2016/17, most of the players who had brought this success were attracted to more affluent clubs. The club were then relegated from the NPL Premier Division after a 30 year stay.

2017/18 saw the club enter the NPL Division 1 South, finishing 3rd in the league, scoring a record 117 goals. Additionally, Jacob Hazel broke the club record for individual goals in a season with 47 strikes. The season ended disappointingly with playoff semi final defeat at the hands of Stamford.

2018/19, in the new NPL East Division, was less successful, seeing managerial changes and a 12th place finish. However, the season had its highlights, with victory at highflying Morpeth and a 10-1 win over Liversedge in the FA Cup.

More change followed prior to the start of 2019/20. A further league reorganisation which put The Blues into the NPL South East Division was accompanied by a new manager. An inauspicious start lead to the appointment of Dave Frecklington in September 2019. Frecks turned the side's fortunes around, before Covid ended the season and did the same to 2020/21.

Frecks built what looked like strong squad for the 2021/22 season in the newly formed NPL East Division. However, things didn't pan out as hoped and the club was relegated to the Northern Counties East League for the first time.

Since the summer of 2022, the club has been managed by Wayne Benn, with ex-Frickley goal scoring legend Andy Hayward as his assistant, Patrick McGuire, whose tenure included a superb 8-0 win at Goole, James Baxendale and Tom Claisse. All presided over finishes between 15th and 18th place in the NCEL Premier Division, but crucially avoided relegation.

In September 2025, club legend Martyn Woolford took the reigns and lead the club to a 15th place finish. And in one of his early games, he masterminded a 7-6 league cup triumph over Bottesford Town after being 5-1 down! However, his tenure was ended by a 9-0 defeat at FC St Helen's in the FA Vase in September 2026.

The new boss, the returning Lee Morris, assisted by Rhys Meynell, will be looking to restore that fighting spirit and bring better times to Westfield Lane.

LET'S GET BEHIND ONE OF OUR OWN & SUPPORT LLOYD SMITH!

Last Saturday, while representing Frickley Athletic in the Northern Counties East Premier Division at Keighley Town, Lloyd Smith suffered a horrific injury that no footballer should ever have to experience. Lloyd sustained a broken leg, dislocated ankle and significant damage to multiple ligaments, for which he has had to have surgery.

Whilst football is a huge part of Lloyd's life, right now there are far more important things than results on a Saturday afternoon.

The road to recovery is going to be a long one, and sadly, this injury will also mean Lloyd faces a considerable period away from work, bringing with it financial pressures at an already incredibly difficult time. That's where we, as a football family, can make a difference.

We've set up a GoFundMe appeal to help ease some of the financial burden on Lloyd during his recovery, allowing him to concentrate on what matters most – getting fit, getting healthy and getting back on his feet.

Whether you're a Frickley supporter, a former teammate, an opposition player, or simply someone who loves grassroots and non-league football, we're asking you to come together and support Lloyd.

No donation is too small. Every single pound will make a difference, and if you're unable to donate, simply sharing this appeal would mean the world. The link is shown below.

Football is more than just 90 minutes. It's about community, togetherness and looking after our own when they need us most.

Let's show Lloyd that the entire football community is behind him.

From everyone at Frickley Athletic, we're all behind you, mate!

MEMORY MATCH

This week, we've got 2 memory matches for you, an 'on this day' game and one that almost was, both played here at The Wezzie. The first match was played on Saturday 9th November 2013 against league leaders Skelmersdale United. The Blues surprised Skem, winning 4-3, with Gav Allott's double a key to taking all 3 points in this NPL Premier Division game. The second game is from the Yorkshire League, played on Saturday 10th November 1923. It's appeared on these pages before but I can't miss a chance to feature The Azzurri dishing out a 10-0 drubbing to unfortunate opponents Rothwell Athletic. With thanks to JL.

Brilliant Blues stun leaders

Frickley Athletic 4
Skelmersdale United 3
A terrific first half set the Blues up to upset the form book as they beat Skelmersdale United in the Evo-Stick Premier Division.

Karl Rose's men had to withstand a big fight back after opening up a fantastic three-goal lead in the first half against the side that started the day top of the table, but deservedly claimed all the points.

Manager Rose restored Luke Hinsley to the forward line alongside Gavin Allott and Joe Fox came back in on the left hand side.

Skelmersdale had a golden opportunity to take the lead in the first 30 seconds as Shaun Tuck latched onto a through ball that bisected the Blues' defence but he could only lob into the arms of Tom Woodhead.

Woodhead denied Tuck again on four minutes before the Blues took the lead on six minutes. Joe Wilcox sent over a free-kick from half-way and Sam Denton rose to loop a header over Zac Hibbert from 18 yards out.

Another Wilcox cross three minutes later saw Allott lift a header just over and Allott had a good chance on 14 minutes when getting on the end of Hinsley's flick only to lob straight into the arms of Hibbert who was well off his line.

The Blues had another great chance on 22 minutes when Hinsley's angled shot grazed the far post.

Hinsley had a shot deflected wide before the Blues finally got their reward on 28 minutes as Allott cut in from the left to beat two defenders and fire in a powerful shot that Hibbert could only help into the net.

Three minutes later Denton picked out Allott on the edge of the box and he fired in a curling shot on the turn which flew just wide.

Skelmersdale were forced to replace stopper Hibbert with substitute goalkeeper Ryan McMahon and he had to pick the ball out of the net in the final minute of the half after Jimmy Ghaichem and Allott combined to set up Jake Picton to score with a great first time shot.

Just as in the reverse fixture in September where the Blues led 2-0 at half-time, Skelmersdale pulled a goal back shortly after the break, Matty Hughes crossing for Tuck to head in.

Five minutes later Peter Wylie burst into the Blues' box to plant an angled shot past Woodhead and the home nerves started jangling.

It could have been worse still three minutes later as Ashley Dunn hit the post.

The Blues weathered the storm and went close with Picton having an angled shot turned away by McMahon before they increased their lead as substitute Joe Kenny found Hinsley and he sent over a great cross for Allott to head into the roof of the net.

The visitors pulled another goal back on 85 minutes through Joe Holt, but Frickley held on for the win.

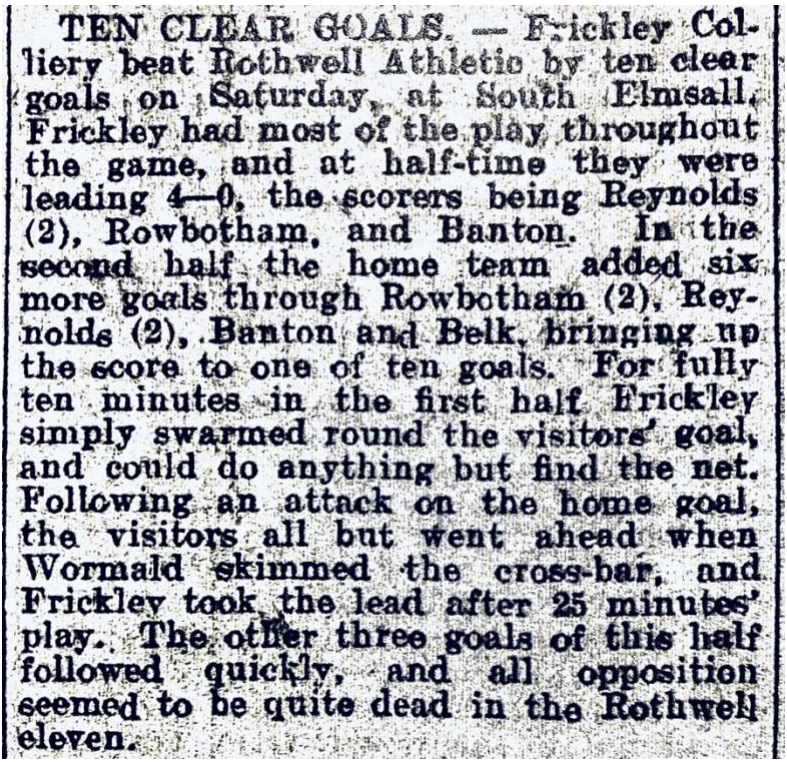

Frickley: Woodhead, Wilcox, Gardner, Picton, Denton, Villermann, Fox (Oniama 64), Bloor (Kenny 73), Hinsley, Allott, Ghaichem.

Skelmersdale: Hibbert (McMahon 36), Wylie, Ince, Hardwick, Burton, Dunn, Hughes, Jackson (Flood 52), Tuck, Astbury, Holt (Leadbetter 85).

Referee: Matt McGrath

Attendance: 190

MEMORY MATCH (CONT.)

TEN CLEAR GOALS. — Frickley Colliery beat Rothwell Athletic by ten clear goals on Saturday, at South Elmsall. Frickley had most of the play throughout the game, and at half-time they were leading 4—0, the scorers being Reynolds (2), Rowbotham, and Banton. In the second half the home team added six more goals through Rowbotham (2), Reynolds (2), Banton and Belk, bringing up the score to one of ten goals. For fully ten minutes in the first half Frickley simply swarmed round the visitors' goal, and could do anything but find the net. Following an attack on the home goal, the visitors all but went ahead when Wormald skimmed the cross-bar, and Frickley took the lead after 25 minutes' play. The other three goals of this half followed quickly, and all opposition seemed to be quite dead in the Rothwell eleven.

COUNTY LINES

There's no television money, no glamorous sponsors and precious little national or even local attention. But for non-league clubs, county cup football can still provide some of the most memorable nights of the season.

There is a particular sort of excitement about a county cup draw. It might not generate quite the same anticipation as an FA Cup draw, but there's something rather special about a tie against a local rival, an old enemy or perhaps an EFL club with a few youngsters to spare.

Welcome to the wonderful, occasionally bewildering, world of county cup football.

For some clubs, it's an opportunity to win a trophy. For others, it's a chance to earn a bit of local bragging rights. And for a few, it's an opportunity to remind the bigger boys that there is plenty of footballing life below the pro ranks.

County cup competitions are among the oldest traditions in English football. Some predate the Football League itself, and competitions such as tonight's Sheffield and Hallamshire Senior Cup and Birmingham Senior Cup have histories stretching back into the 19th century.

They have survived many changes in football, but currently bigger danger is indifference.

Because let's be honest, county cups don't always receive the respect they deserve.

But that doesn't mean the competitions have completely lost their appeal. Quite the opposite for many clubs.

One of the great attractions of county cup football is the possibility of a mismatch on paper, drawing a club from higher up the pyramid.

It's an opportunity to test oneself against a different standard of opposition, visit a stadium you don't often visit and perhaps give supporters an evening they will remember for years.

There is always something satisfying about a lower team upsetting the established order, particularly when the opposition has turned up expecting a comfortable evening.

Of course, there's another side to the story.

For the clubs playing at Steps 3, 4, 5 and below, the fixture calendar is already packed with League commitments, FA Cup ties, FA Trophy, FA Vase, league cups and rearranged fixtures. Add a county cup tie and the calendar can be looking a bit tricky. And a wet winter can make matters worse.

There are also questions about priorities. Should a club put its league campaign first? Should it take the opportunity to reach a county cup final? And what happens when the two collide?

It's a balancing act, and one that can become particularly uncomfortable when promotion, relegation or a cup final is at stake.

Less of an issue in the Sheffield Senior Cup, where it is often expected, but an irritation for some supporters comes when a professional club draws a non-league opponent and sends out a team bearing only a passing resemblance to its usual first eleven.

There is nothing inherently wrong with giving youngsters an opportunity. Indeed, that's one of the benefits of these competitions.

But smaller clubs take these matches seriously. They pay their players, organise transport, sell tickets, arrange stewards and promote the occasion to their supporters. For them, it's not an exercise in development. It's a competition they want to win.

County cup football isn't perfect. The draws can be complicated, the scheduling can be awkward and the opposition might not always field its strongest side.

But there is still a trophy to be won, a final to reach and a little piece of local history to be made, with added medals and memories. You can't put a price on that.

The picture shows Blues skipper (and one of the goalscorers) Matty Bloor holding the Sheffield Cup during celebrations after winning the final 4-3 against Sheffield FC at Hillsborough in May 2013. Halcyon days!

So here's to the county cups. Long may they continue. They might not be the biggest competitions in football, but for the clubs involved, they can still be among the most important.

MATCH REPORTS

Frickley 0 Dearne & District 1

The Blues went toe to toe with the league leaders in a feisty encounter, under the lights at The Wezzie, that ended 10 a side. However, despite giving the highflying visitors a proper game, and deserving at least a point, the footballing gods cruelly allowed Dearne to nick it with a late goal.
The Azzurri were certainly in the contest from the off, with Cable challenging the Dearne keeper for a high ball in the 2nd minute. The keeper spilled it but was fortunate to see the ball drop kindly enough for him to recover.
O'Connor was awarded a yellow card moments later. The first of a few harsh decisions.
Cable then showed some nice footwork 7 minutes in, but unfortunately there was nobody in the middle to get on the end of his cross.
Lloydy was next to threaten, getting on the end of a flick on in the 13th minute, although his shot lacked the power or accuracy needed to trouble the visiting keeper.
Dearne responded with a shot that Evans dealt with comfortably, before The Blues carved out one of the best opportunities of the first half. A swift break saw Les Bleus go 4 against 2, but Austerfield dragged his shot wide when a goal looked a real possibility.
The visitors then enjoyed a rather alarming 20 second spell in the 23rd minute, rattling the Frickley bar twice in quick succession. Thankfully, the woodwork was in a forgiving mood, and Los Azules survived unscathed.
Radz was then sent tumbling in the penalty area in the 31st minute, but despite protests, the ref remained unmoved.
Dearne fired another attempt wide in the 42nd minute, before Aussie went close at the other end, striking a loose ball first time only for the keeper to block with his legs. HT 0-0.
The second half began with Dearne applying further pressure from their much used long throw, which was headed goalwards before Evans blocked. Radz then found himself on the receiving end of another push in the penalty box in the 50th minute, but once again the ref wasn't interested. 2 penalty appeals, 2 refusals. The officiating was to get more 'interesting' still.
Jenko found himself on the wrong end of a collision with Dearne's number 11 in the 57th minute, yet somehow it was the Frickley man who received the yellow card.
Things really boiled over 5 minutes later when Dearne's number 11 produced a dreadful challenge on Grist, earning himself a straight red card. The dismissed player then simulated being headbutted or hit in the face by Jenko, and the ref showed him red too. So, with 28 minutes remaining, both sides were down to 10 men and the game had acquired a different complexion.
Crucially, the Azzurri defence was disrupted, as defender Harry Gagen was brought on to replace midfielder Charlie Austerfield in order to shore up the back 4.
Frickley continued to compete, although Owen Evans had to pull off a smart low save in the 71st minute to keep the scores level.
Sadly, a decisive moment arrived in the 76th minute. A misplaced pass around halfway handed Dearne possession, and the visitors quickly exploited the space on the counter attack. With Les Bleus caught out and a man free, the ball was played across for a simple finish and the league leaders had the advantage.
The Blues went in search of an equaliser, and almost found one in spectacular fashion 3 minutes from time. Grist stepped up to take a free kick in the 87th minute and unleashed a tremendous strike which crashed against the crossbar. FT 0-1.
There was precious little between us and the team 9 points clear at the top of the table at the start of play. With 2 penalty appeals turned down, a couple of great chances, a free kick off the bar, we did more than enough to warrant a share of the spoils. I'm sure our season won't be defined by results like this but if we can reproduce this combined level of toughness and threat against the sides around us, then we'll do alright..
WEBMASTER MOTM - we played some decent football when we could, and we dug in when we had to. Joel Spence was at the heart what we did well, leading by example. Tom Radley and Josh Dacre never took a backward step. Owen Evans was a calming presence in goal, and Charlie Austerfield showed a neat knack of getting on the end of some nice moves. And Keelan Grist so nearly got us back on level terms. But the Glitterball goes to Stephen Williams. He ratted for all he was worth. Sterling work, Ste!
VOLUNTEERS' MOTM - Joel Spence was chosen by a majority of the Blues volunteers at the game. Well done, Skipper!
An impressive 353 through the gate. Thank you for coming out to support your local club!

LINKED TO THE LANE

I love looking at the old A&BC, Panini, Merlin, Topps, etc. football cards and stickers, and it struck me how many of the players pictured had links to Frickley Athletic. They might have played for or against us at some point, or are related to one of The Azzurri past or present. Or the connection might be even more tenuous! But you can be sure it was the highlight of their career ;)

The 2001/02 NPL Premier Division champions were Burton Albion. On their way to the EFL, Albion were managed by a certain Nigel Clough. Clough DNA has trod the hallowed turf in front of the main stand you see today.

Nigel Clough, the son of legendary football manager Brian Clough, was born in Sunderland on 19 March 1966. Raised in Derby, he began his career with Nottingham Forest before leaving to play for non-league Heanor Town.

Forest re-signed him in December 1984, and he established himself in the first team during 1985/86, scoring 15 league goals. Clough spent 9 years at Forest, making more than 400 appearances in all competitions and scoring 131 goals, making him one of the club's leading goalscorers. A technically accoplished forward, he often dropped deep to link midfield and attack rather than operating solely as a conventional centre forward.

He won the League Cup in 1989 and 1990, scoring twice in the 3-1 final victory over Luton Town in 1989. He also won the Full Members' Cup in 1989 and 1992. Forest reached the 1991 FA Cup final, losing to Spurs, and finished 3rd in the First Division in 1988 and 1989. Clough won 14 England caps between 1989 and 1993 without scoring.

Following Forest's relegation from the Premier League in 1993 and his dad's retirement, Clough joined Liverpool for over £2 million. He scored 2 on his debut against Sheffield Wednesday in August 1993 but competition from Robbie Fowler limited his opportunities, before moving to Manchester City in 1996 for £1.5 million. City were relegated from the Premier League in 1996/97 so Clough returned to Forest on loan and had a loan spell at Sheffield Wednesday.

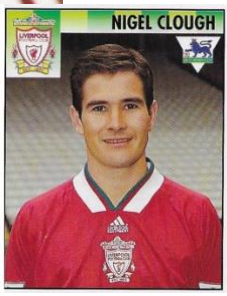

In October 1998, he joined Burton Albion as player-manager, beginning a decade-long association with the Staffordshire club. He eventually retired as a player in 2009, to concentrate solely on management.

As Burton boss, Clough won promotion to the Conference Premier and took the club from step 3 to the brink of the Football League. And Burton famously held Manchester United to a 0-0 draw in the FA Cup third round in January 2006 before losing the replay at Old Trafford.

In 2009, Derby County appointed him manager. He remained in charge until 2013. Clough then took over at Sheffield United with the club struggling near the bottom of League One. He guided the Blades to safety and the FA Cup semi final. The following season, United reached the League Cup semi-finals.

Clough was dismissed in 2015.

He returned to Burton Albion in December 2015 and helped the club secure promotion to the Championship for the first time in its history, finishing second in League One and guided them to the League Cup semi finals in 2019. He left in May 2020 during Covid to reduce the club's costs.

In November 2020, Clough became manager of Mansfield Town. After reaching the League Two playoff final in 2022, he led the club to automatic promotion in 2023/24, returning the Stags to League One after a 21-year absence, and won the League Two Manager of the Season award as well. Cloughy remains at Mansfield to this day as one of the longest serving EFL managers.

In 2025, Nottingham Trent University awarded Clough an honorary doctorate, possibly in recognition of his contribution to football, but more likely for masterminding Burton's 5-0 win at The Wezzie in 2001/02!

PACT
SMALL CHARITY big IMPACT

#teamjenko

Owen Jenkinson was diagnosed with Ewing Sarcoma in 2022 and, after a year cancer-free, unfortunately relapsed in 2024. Despite further treatment, his cancer progressed, and he sadly passed away in November 2025. Owen's strength, spirit, and love for life remained unwavering, and the charity PACT (Parents' Association of Children with Tumours & Leukaemia) has been a vital source of support for him and his family throughout the journey.
