BLUESCENE

Good afternoon, ladies and gentlemen, welcome to Westfield Lane for today's Northern Counties East Premier Division game against Knaresborough Town. We give a warm welcome to Knaresborough's players, officials and supporters and hope they have a safe trip home after the game.

Today's visitors, Knaresborough Town, are currently in 6th place on 31 points after 18 games. Knaresborough have had a run of 3 consecutive wins since being trounced 5-1 at home by table topping Dearne & District. The recovery started with a 3-2 triumph at Parkgate and was followed by a 5-1 drubbing of Worsbrough Bridge at Manse Lane. On Saturday, Knaresborough continued in the same vein with a 4-0 rout of their visitors, Thackley.

The Blues come into today's game in 17th place on 18 points after 17 games. Our last 4 league games have seen us win 3 and lose 1. Since Rossington Main were our visitors last month, when goals from Sam Cable, Josh Dacre (2), Keenan Grist and Charlie Clegg carried us to a comfortable 5-1 win, we have won 1, lost 2 in the league. A dismal 2-0 defeat at Golcar United and an unfortunate 1-0 reverse at home to league leaders Dearne & District bookended a 2-0 victory over Pickering Town, here at The Wezzie, with Lewis O'Connor and Keelan Grist bagging the goals.

Sadly, last Saturday, our game at Keighley Town was abandoned after Lloyd Smith suffered a serious leg injury. All at Frickley wish him a speedy recovery and lots of love. Please see the later page with details of our GoFundMe appeal for Lloyd.

Our last game, in midweek, was a rather brighter affair, the Sheffield Cup quarter final against Rossington. A patched up Blues side eased to a 3-1 win to earn a place in the semi finals, courtesy of strikes by Lewis O'Connor and home debutant Deaconn Farrelly, either side of an own goal.

Our most recent meeting with Knaresborough Town was our league game in July when Luke Williams, Harry Gagen and Martyn Woolford all got on the scoresheet to inflict a 3-0 defeat – our first at Manse Lane - upon Knaresborough. Prior to that, in 2025/26, The Blues suffered a resounding 3-0 loss at the hands of Knaresborough in September 2025 in our last meeting here at Westfield Lane, and things got worse as we were thrashed 6-0 at Manse Lane in November 2025.

Expect The Blues to be giving all they've got to get more league points on the board and climb the table.

In recruitment news, attackers Charlie Parker and Joe Poxon join from South Leeds and Albion Sports respectively, and defender Dempsey Smith and goalkeeper Troy Lucas have been added to the squad. Meanwhile, fan favourite Tom Radley has left the club to rejoin Shelley. Good luck to them all.

Our next game sees The Blues travel to Parkgate on Tuesday 17th November, 7.45pm kickoff, and then to Horbury Town on Saturday 21st November, 3pm ko. The Blues are next in action here at Westfield Lane on Saturday 28th November when Tadcaster Albion are our visitors, 3pm ko. We hope to see you all there.

We hope you enjoy today's game, and as ever, thank you for your unwavering support.

MEET THE VISITORS 1

The club was almost certainly formed as "Trinity" in 1898. The name change to "Knaresborough Association Football Club" took place in 1900 and, apart from the two World War periods, a club has existed in the town.

Much of its early football was played in the York & District League before joining the Northern League in 1909. After only two seasons, escalating costs forced a move back to the York League and Harrogate League through the 1920s and 1930s.

At the outbreak of World War Two, the club, like many at the time, folded temporarily, and it was as Knaresborough Rovers that they reformed in 1946. The Harrogate League was the first competition played until the early 1950s when the York League was joined once more.

The club again reverted to the Harrogate League when they set up a Premier Division and that title was won three years in succession from 1965 to 1967. After two more runners-up seasons, the club entered the West Yorkshire League for six further years which saw a title in Division Two before promotion from Division One for two seasons in the Premier Division before another return to the Harrogate League.

From 1976 to 1993, the club continued in the Harrogate League but ambitions were high and the West Yorkshire League was re-joined in 1993. The League Cup was won in the first season, but the league title had to wait until 2009.

In 2010, the club won the West Riding County FA Challenge Cup final for the first and only time and then made the decision to invest in ground developments to upgrade to Step Six standards, and
were elected to the Northern Counties East League in 2012.

The club built steadily, the early highlight being the triumph in the League Cup in 2014 when Eccleshill United were defeated at Bradford City's Valley Parade ground.

2017/18 saw progression for the club when they reached the 2nd round of the FA Vase for the first time and went on to take the NCEL Division One title. 2018/19 saw the club's best FA Cup run as they reached the Second Qualifying round only to bow out to Workington.

In their first season in the NCEL Premier Division in 2019/20, the club achieved a very respectable 9th position.

Then covid resulted in 2 abandoned seasons before the club finished 17th in the 2021/22 season, narrowly avoiding relegation.

A 10th place finish in 2022/23 was a significant improvement. But in 2024, the team went even higher, achieving its highest place to date, finishing 8th in the NCEL Premier Division.

The current management team of Simon Parkes and Colin Heath oversaw slightly lower but very creditable 12th and 9th place finishes in 2024/25 and 2025/26 respectively.

They and their squad will be hoping to be competitive and cement another position in the top half of the table in 206/27.

In addition, there continues to be further development of Manse Lane as the club look to consolidate its place at this level in the non-league pyramid.

FRICKLEY'S HISTORY

Frickley Athletic FC is based in the former coal mining village of South Elmsall. Recent research has shown that the first South Elmsall football team was formed in 1905 but was superseded in 1908 by the newly formed Frickley Colliery Athletic Club and joined the South Yorkshire league which comprised of works, church and village teams. In 1910, the football club moved to the Sheffield Association League.

The club remained in the Sheffield Association League (except for the war years) until 1922, finishing runners up in 1911/12, and winners in 1920/21, our only ever league title.

In 1922/23 Frickley joined the Yorkshire league and after finishing runners up in 1923/24, the club were elected into the Midland League, Although the club had to apply for re election several times pre war (and didn't play in any league in 1933/34) it was kept going by the support of the mineworkers and the sale of players.

1936/37 was Frickley's worst ever league season when the club finished bottom with only 8 points, but amazingly reached the FA Cup 1st round proper for the first time.

Post war, Frickley remained in the Midland league gaining its best finish, 7th, in 1945/46, but left the league on its break up at the end of 1959/60.

From 1960/61 to 1969/70, Frickley Colliery played in the Cheshire County League, However, financial considerations led the club to join the Midland Counties League for 1970/71. They finished runners up in 1972/73, and were eventually elected into the NPL for the 1976/77 season as Frickley Athletic.

After finishing 3rd in 1979/80, the club was promoted into the Alliance Premier League, now the National League. Here they remained for 7 years, the most successful in the club's history, and in 1985/86 reached the FA Cup 3rd round proper, after beating a Football League club, Hartlepool Utd, only to lose 3-1 at home to Rotherham Utd. The club also finished as Gola League runners up. The following season saw a reversal as we were relegated back to the NPL.

From 1987/88 to 1991/92 the club consistently finished around mid-table in the NPL, and managed to reach the league cup final in 1991/92, losing 1-0 to Marine at Maine Road.

The next few seasons saw Frickley finish in the lower reaches of the table. Then, in 2005/06 The Blues had their best league season for 20 years, finishing 2nd to Blyth Spartans. Unfortunately, the Blues lost on penalties in the playoff semi.

In the following seasons Frickley returned to the lower half of the table, but 2015/16 saw the club have a great season to finish 7th.

In 2016/17, most of the players who had brought this success were attracted to more affluent clubs. The club were then relegated from the NPL Premier Division after a 30 year stay.

2017/18 saw the club enter the NPL Division 1 South, finishing 3rd in the league, scoring a record 117 goals. Additionally, Jacob Hazel broke the club record for individual goals in a season with 47 strikes. The season ended disappointingly with playoff semi final defeat at the hands of Stamford.

2018/19, in the new NPL East Division, was less successful, seeing managerial changes and a 12th place finish. However, the season had its highlights, with victory at highflying Morpeth and a 10-1 win over Liversedge in the FA Cup.

More change followed prior to the start of 2019/20. A further league reorganisation which put The Blues into the NPL South East Division was accompanied by a new manager. An inauspicious start lead to the appointment of Dave Frecklington in September 2019. Frecks turned the side's fortunes around, before Covid ended the season and did the same to 2020/21.

Frecks built what looked like strong squad for the 2021/22 season in the newly formed NPL East Division. However, things didn't pan out as hoped and the club was relegated to the Northern Counties East League for the first time.

Since the summer of 2022, the club has been managed by Wayne Benn, with ex-Frickley goal scoring legend Andy Hayward as his assistant, Patrick McGuire, whose tenure included a superb 8-0 win at Goole, James Baxendale and Tom Claisse. All presided over finishes between 15th and 18th place in the NCEL Premier Division, but crucially avoided relegation.

In September 2025, club legend Martyn Woolford took the reigns and lead the club to a 15th place finish. And in one of his early games, he masterminded a 7-6 league cup triumph over Bottesford Town after being 5-1 down! However, his tenure was ended by a 9-0 defeat at FC St Helen's in the FA Vase in September 2026.

The new boss, the returning Lee Morris, assisted by Rhys Meynell, will be looking to restore that fighting spirit and bring better times to Westfield Lane.

LET'S GET BEHIND ONE OF OUR OWN & SUPPORT LLOYD SMITH!

Last Saturday, while representing Frickley Athletic in the Northern Counties East Premier Division at Keighley Town, Lloyd Smith suffered a horrific injury that no footballer should ever have to experience. Lloyd sustained a broken leg, dislocated ankle and significant damage to multiple ligaments, for which he has had to have surgery.

Whilst football is a huge part of Lloyd's life, right now there are far more important things than results on a Saturday afternoon.

The road to recovery is going to be a long one, and sadly, this injury will also mean Lloyd faces a considerable period away from work, bringing with it financial pressures at an already incredibly difficult time. That's where we, as a football family, can make a difference.

We've set up a GoFundMe appeal to help ease some of the financial burden on Lloyd during his recovery, allowing him to concentrate on what matters most – getting fit, getting healthy and getting back on his feet.

Whether you're a Frickley supporter, a former teammate, an opposition player, or simply someone who loves grassroots and non-league football, we're asking you to come together and support Lloyd.

No donation is too small. Every single pound will make a difference, and if you're unable to donate, simply sharing this appeal would mean the world. The link is shown below.

Football is more than just 90 minutes. It's about community, togetherness and looking after our own when they need us most.

Let's show Lloyd that the entire football community is behind him.

From everyone at Frickley Athletic, we're all behind you, mate!

MEMORY MATCH

This week, we've got 2 memory matches for you, an 'on this day' game and one that almost was, both played here at The Wezzie. The first match was played on Tuesday 16th November 1999 against Hucknall Town. The Blues came from a goal down to take it 3-2 in this NPL Premier Division game. The second game is from the old Midland League, played on Saturday 14th November 1953. The Azzurri were involved in a remarkable game against Lincoln City Reserves that served up 11 goals. The Imps were 3 up early on before The Azzurri recovered to lead 4-3. Lincoln rallied to regain the advantage, but eventually 2 serious Lincoln injuries in the days before substitutes, one of which was their keeper, meant that Frickley came out on top against the 9 men of Lincoln. Harold Wilkinson for The Blues and Gibson for City were the hat trick heroes. With thanks to JL.

Mick heads winner

TWO goals in 11 minutes enabled Frickley Athletic to turn the tables and beat Hucknall Town 3-2 in the Unibond Premier Division match at Westfield Lane.

Looking to maintain their promise, the Blues began brightly, Andy Hayward having a shot blocked on the line in the fifth minute before Danny Brewster linked with Duane Beckett and Hayward and tested Dave McCarthy with a low drive.

Dean Jones squared a free kick to Gary Hatto, whose low, 35 yards drive was smothered at the second attempt by McCarthy in the 15th minute, only for Town to poach the lead six minutes later, Russell Cooke lobbing over the defence and Darryl Rankin volleying in from 15 yards.

Frickley lost Brewster with a rib injury in the 37th minute, Gary Duffty coming on, but it did not unsettle their rhythm and they equalised on the stroke of half time, Hatto being bundled over in the penalty area and drilling in the resultant spot kick.

The second half saw the home side increase the tempo, Chris Hilton having an angled drive tipped over the bar in the 50th minute, while he lashed a 20 yarder inches too high two minutes later.

Reward came in the 53rd minute, a through ball by Rob Hanby being collected by Hayward and he made no mistake from ten yards, while Duffty went close before Frickley's third goal after 64 minutes, a well judged cross from Ian Edge being powerfully headed in at the far post by Mick Thompson.

Hucknall thought they had grasped a lifeline when Andy White beat Derek O'Connor with an angled 20 yarder, but the Blues were not about to surrender the spoils.

Duffty won possession and shrugged off a challenge before lashing a 20 yards drive inches wide of the far post in the 84th minute, and Edge had a 30 yarder well saved three minutes later as the home side finished in control.

MEMORY MATCH (CONT.)

TWO FRICKLEY OPPONENTS WENT TO HOSPITAL

Frickley Colliery ..... 6 Lincoln City 5

THREE goals behind after 17 minutes, Frickley Colliery staged a wonderful recovery to get on level terms at the interval in the match against Lincoln at South Elmsall on Saturday.

The visitors were handicapped by an injury after 30 minutes to goalkeeper Jones, who was detained in the Warde - Aldam Hospital overnight, suffering from concussion, and were further reduced after an hour, when their centre-forward, Gibson, was taken to hospital to have five stitches inserted in a wound over his right eye.

Lincoln's ten men proved to be a match for the Colliery, for after Frickley's fourth goal, Gibson scored twice within a minute to give his side a 5—4 lead. After Gibson's departure, however, the nine men found the odds too great and Frickley won comfortably, and might have had more goals but for a remarkable exhibition by Dykes, the inside-left, who filled Jones's position between the posts.

The scorers were WILKINSON (3), BARBER, ORANGE and FLYNN for Frickley, and GIBSON (3), DYKES and McDOWALL for Lincoln.

Frickley's forwards were in bright form and shot at every chance, but the defence was not so reliable, although Pears distinguished himself by saving a penalty.

And then there were nine.
The FA Cup first round turned out to be fairly fruitful for Non-League clubs.
Yes, there were some heavy defeats from EFL clubs not wanting to get caught in the headlines.
But we also enjoyed some memorable upsets and a decent progression of Non-League clubs into the second round. Seven clubs booked their place in the draw on Saturday – Step 3 Guiseley, National League South duo Dover Athletic and Salisbury, as well as National League foursome Kidderminster Harriers, Carlisle, Barrow and AFC Fylde.
Wimborne Town joined them on Sunday thanks to their upset of League Two Crawley Town.

Seung-Woo Yang is pictured after scoring The Magpies opening goal on their way to a 2-0 victory.
And, on Monday night, Plymouth Parkway became the third Step 3 to join the party after winning the all-Southern League Premier South clash.
It could have been more. How it could have been. Altrincham ran Notts County close in thickest of fog, eventually losing on penalties, Hornchurch were pegged back against Blackpool and only fell in extra time.
On Sunday, Stafford Rangers led Grimsby 2-0 and then 3-2 in extra-time before seeing their dream finished in a shoot-out. Cray Wanderers led ten-man Stockport County 2-0 but suffered a late turnaround before extra-time defeat. When the dust has settled they will no doubt all look back with pride.
The second round draw delivered too.
Dover – who upset Wealdstone 2-0 – pulled the big one out with a home date against former FA Cup winners Leicester City.
Wimborne's reward for their famous victory is League One highflyers Bradford City, who stuck seven past Marine last weekend.
NPL Premier Guiseley beat Sutton to reach round two – and will now face Notts County at home.
The third team of the Step 3 trio, Plymouth Parkway, take on Barnet in the south-west.
Salisbury – fresh from seeing off Sholing – host Blackpool and AFC Fylde will welcome Luton Town.
Carlisle United's impressive win over Salford City sees them make the trip to last season's National League winners York City.
And then there's Kidderminster Harriers, who stuck three past Doncaster Rovers in their first round win, making the trip to fellow National League side Barrow, managed by former manager Adam Murray, in the only all Non-League tie.
The games take place in early December. Certainly one will be remaining, come the third round. But how many more can join them?

MATCH REPORTS

Frickley 3 Rossington Main 1
(Sheffield Cup QF)

The Blues booked a place in the last 4 of the Sheffield Cup after a convincing victory over Rossington Main at The Wezzie. With just 23 days having passed since the 2 sides last crossed swords, in the league, it was a much changed Frickley team that came out on top to reach the semi final for the first time since 2019.

The opening exchanges were a little cagey, although Rosso almost opened the scoring shortly after the 10 minute mark. The visitors' winger got away with being a country mile offside before squaring to a teammate but justice was done as said teammate somehow contrived to miss an easy chance from 15 yards.

Similarly, Dacre found the net in the 19th minute, but an offside flag intervened on this occasion. Roberts then produced a neat piece of play before seeing his effort comfortably gathered, while Grist was causing problems down the left, leaving his marker for dead at one point before forcing the keeper into a low save. The same player saw another attempt deflected over as The Azzurri increasingly took control.

The pressure finally told in the 36th minute. A lovely ball down the wing sent O'Connor racing into space and he fired a fizzing wormburner across the keeper and into the bottom corner. Price almost doubled the advantage 5 minutes later, but his angled effort was pushed away by the Rossington keeper. HT 1-0.

The visitors came out with renewed purpose after the interval and Harold was called into action in the 51st minute, doing well to keep out a dangerous attempt with his legs.

Les Bleus soon hit back. Dacre flicked a header narrowly over before Walker hit a beauty from 20 yards that the keeper tipped onto the crossbar. Walker wasn't finished there and, 3 minutes later, forced another save, this time with the Rosso stopper clinging onto the ball.

The second goal arrived in the 63rd minute with a helping hand from the opposition. Price delivered a teasing cross into the 6 yards box and, under pressure, a Rossington defender poked the ball past his own keeper.

Grist then embarked on another excellent run in the 71st minute, finding LOC, but the return pass was intercepted before it could reach him. Walker subsequently tried his luck from distance but missed the target.

Rosso had a couple of opportunities. In the 80th minute they managed to beat the onrushing Harold to the ball, only to miss the target with an empty net at their mercy. 2 minutes later, though, they produced a rather more accomplished finish, finding the net with a booming strike from around 20 yards to reduce the deficit to 2-1.

A Rosso header flashed narrowly wide shortly afterwards, giving them a brief glimpse of hope. On as sub, Joe Cooney then produced a lovely ball for Walker, whose attempted lob drifted wide. Ben King was brought on, making his debut, to replace Lewis O'Connor who'd earned his rest.

With the game entering stoppage time, The Azzurri finally put the matter beyond all doubt. Price threaded an inch perfect ball through the Rossington back 4 and Deacon Farrelly showed impressive composure, keeping his cool to slot home in the 91st minute with his first touch of the game, less than a minute after coming on as sub.

There was even time for a late change between the sticks, with Troy Lucas replacing Harold for the closing moments, to make his first team bow, before the final whistle was blown. FT 3-1.

Lloyd Smith's injury at the weekend and Greg Gardham's funeral later in the week put football firmly into perspective so this solid performance from The Azzurri was testament to the lads' professionalism and desire to pay tribute to 2 of our own. That was for you, Lloydy and Greg!

WEBMASTER MOTM - lots to be encouraged by in a very tidy display. Standouts for me were Sam Kilner filled in intelligently at centre half, the Divine Ponytail, Harry Gage, was just that - divine, and Reuben Crossley was never flustered. Lewis O'Connor was the definition of 'a midfielder with an eye for goal' and Jayden Roberts and Keelan Grist were like wasps relentlessly pestering the Rosso defence. Sub Deaconn Farrelly showed that he knows how to make an entrance with an ice cold finish to score with his first touch. And the rest were sound as a pound. However, the Glitterball goes to Charlie Price. He was the puppet master, pulling the strings in midfield, with 2 assists as well. Proper, Pricey!

VOLUNTEERS' MOTM - Jayden Roberts was chosen by a majority of the Blues volunteers at the game. Well done, JR!

182 through the gate - our biggest home attendance in the Sheffield Cup since 2014! Thank you for coming out to support your local socially inclusive, pro-diversity football club!

1934 - England's line-up for their 'friendly' against world champions Italy at Highbury included 7 Arsenal players - Bastin, Bowden, Copping, Drake, Hapgood, Male and Moss. This is still the record for the most players from a single club in the starting line-up of an England team. England won a bad tempered game 3-2.
1973 - England were beaten 1-0 by Italy in a friendly at Wembley. It was the 108th and last England appearance for Bobby Moore while the Italy goalscorer was future England manager Fabio Capello.
2021 - Liverpool's Steven Gerrard won his 100th cap in England's 4-2 defeat against Sweden in Stockholm.

LINKED TO THE LANE

I love looking at the old A&BC, Panini, Merlin, Topps, etc. football cards and stickers, and it struck me how many of the players pictured had links to Frickley Athletic. They might have played for or against us at some point, or are related to one of The Azzurri past or present. Or the connection might be even more tenuous! But you can be sure it was the highlight of their career ;)

Will Foley, a member of the famous Frickley side that faced Rotherham United in the FA Cup 3rd round in 1986, flirted with EFL football in South Wales with Swansea City, Cardiff City and Newport County. During his time at Swansea, one of his team mates was 2-time European Cup winner, Jimmy Rimmer. Born John James Rimmer in Southport in 1948, he went on to become one of the few players to win the European Cup with 2 different clubs. Rimmer began his football career as a schoolboy with Manchester United in 1963, signing professional terms in 1965. However, competition from Alex Stepney restricted his first team opportunities, and Rimmer spent much of his time at Old Trafford as understudy to United's established goalkeeper. Rimmer made his debut against Fulham in April 1968 and won a European Cup winners' medal that season as an unused substitute in the final against Benfica at Wembley. He remained at United until 1974, making 46 competitive appearances. Seeking regular first team football, he spent a loan spell with Swansea during 1973/74. Arsenal signed Rimmer from Man U in 1974 for £40k as a replacement for the ageing Bob Wilson. Rimmer established himself as a consistent performer at Highbury, making nearly 150 appearances in all competitions, and was named Arsenal's 1974/75 Player of the Season. In 1976, Rimmer earned his only England cap starting in a friendly against Italy, played in New York. England were 2-0 at half time, Rimmer was substituted then England recovered to win 3-2. In 1977, Arsenal signed Pat Jennings from Tottenham Hotspur, making Rimmer surplus to requirements. Aston Villa manager Ron Saunders paid £65k to bring him to Villa Park. The transfer proved highly successful for both player and club. Rimmer became Villa's regular goalkeeper and made 229 league appearances during his 6 seasons there. Jimmy proved to be a key member of the team as Villa won the First Division championship in 1980/81 and the 1981 Charity Shield. In 1981/82 Villa reached the European Cup final against Bayern Munich in Rotterdam. Rimmer had started every match in Villa's run to the final but suffered a neck injury after 9 minutes and was replaced by Nigel Spink. Villa won 1-0, earning Rimmer his second European Cup winners' medal. Rimmer left Villa Park in 1983, returning to Swansea City, joining the club permanently as they struggled following their rapid decline from the First Division. He made a further 66 league appearances and was particularly important during the 1984/85 season, when his goalkeeping helped Swansea avoid another relegation. His final moves included brief spells with Maltese club Hamrun Spartans and Luton Town in 1986, although he made no appearances for either. Across his EFL career, he made 470 league appearances. After retiring as a player, Rimmer remained at Swansea as goalkeeping coach and later worked with the club's youth players. He twice served as caretaker manager during the 1995/96 season. He then moved abroad to coach goalkeepers for the Chinese national team, Dalian Wanda, and in Canada. In later life, Rimmer lived near Swansea and attended Swans' matches and met fans. He also spoke publicly about his struggles with alcoholism and health problems, including a heart attack. JR passed away quite recently in August 2026, aged 78, leaving a legacy of efficiency – only 9 minutes' effort for 2 European Cup winners's medals!

PACT
SMALL CHARITY big IMPACT

#teamjenko

Owen Jenkinson was diagnosed with Ewing Sarcoma in 2022 and, after a year cancer-free, unfortunately relapsed in 2024. Despite further treatment, his cancer progressed, and he sadly passed away in November 2025. Owen's strength, spirit, and love for life remained unwavering, and the charity PACT (Parents' Association of Children with Tumours & Leukaemia) has been a vital source of support for him and his family throughout the journey.
